Free Income Tax Return Preparation at VITA Events in Orange County

Sacramento –Individuals who need help with income tax return preparation are invited to attend the kick-off of the Orange County Volunteer Income Tax Assistance program at Irvine Valley College on Saturday, February 2, 2013. It is sponsored by Board of Equalization (BOE) Vice Chair Michelle Steel, Orange County United Way, and Irvine Valley College.

The federal government is offering up to \$5,891 in Earned Income Tax Credits (EITC) to households earning less than \$50,270 annually. Free Volunteer Income Tax Assistance (VITA) events throughout Southern California help qualified taxpayers receive much needed federal and state tax credits. Every year, VITA volunteers, who have been trained and certified by the Internal Revenue Service, offer free tax filing assistance.

If they have an annual income less than \$57,000, individuals can qualify for free tax preparation assistance at select schools, community centers, and nonprofit organizations throughout Orange County as part of Orange County United Way's annual EITC program. The Orange County United Way is a nonprofit organization that helps Orange County children, families, and individuals meet their education, income, and health needs.

"This program provides free tax preparation to low to moderate income individuals and families who may not be able to afford a tax preparer. VITA also connects low-income earners with the Earned Income Tax Credit. This credit puts money in their pockets," said Vice Chair Michelle Steel.

Elected to the Board of Equalization in 2006 and re-elected in 2010, Michelle Steel serves as *Southern California's elected taxpayer advocate*. In December 2007, Steel discovered the Board of Equalization had delayed the return of millions of dollars in security deposits owed to California businesses. Procedures were changed due to Steel's decisive leadership. Following her investigation, the tax agency refunded tax security deposits to over 5,500 small businesses. To date, over \$100 million in security deposits have been returned to taxpayers.

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$53.7 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes. For more information on other taxes and fees in California, visit www.taxes.ca.gov.
